“On behalf of everyone involved with VOICES OF THE WEST END can I take this opportunity to thank you for supporting this event.

Voices of the West End is about supporting as many of my theatrical associations; performer friends, and theatres as much as I possibly can. It’s as much to do with mental health as it is survival, but more importantly it is a positive reaction to this whole extraordinary scenario.

Being resourceful is one thing but this could not happen without the enormous support of the British Motor Museum, the performers, event staff, everyone at Birmingham Hippodrome and you, our incredible musical theatre audiences.

We’ve gone above and beyond to make this event as safe as we possibly can. This document has all the information you need to know about this event. I know you’ll appreciate the measures we’ve taken so please come and relax and enjoy this concert safely with us.

Thank you for your support.”

The site consists of 2 spacious segments, colour coded and split into A, B and C zones. Each zone has a number of 3SQM roped pitches. All roped-pitches are accessible from only one entrance/exit to ensure good social distancing and traffic management throughout the event arena. SOCIAL DISTANCING
Social distancing procedures are in place from the minute you arrive to the minute you leave our site. Please do not be put off by our MARSHALS, SECURITY and STEWARDS who will be wearing PPE: Masks within the event auditorium and visors at the front gates. This is for everyone’s consideration and safety.

The event auditorium is significantly sized with dedicated signage and stewarding to guide you to your designated roped-pitch area. We have stewards reminding audience members of the two-metre social distancing rule while entering and to ensure exiting the auditorium is done in a staggered and orderly manner.
A lack of consideration to others and non-compliancy with social distancing will not be tolerated. We have a duty of care to all our audience members and should matters not be resolved collectively the matter will be handed over to onsite security and/or police.

ACCESSIBILITY
Our aim is to provide accessibility for all, within the confines of an outdoor environment and social distancing procedures. Should you require assistance for those with mobility impairments or use a wheelchair we can arrange early access in order to drive to your pitch. PLEASE ADVISE US DIRECTLY if you require special seating or early access by email us at access@gingerboy.me.

RUBBISH
In light of the global coronavirus outbreak, you are asked to TAKE YOUR RUBBISH HOME. If a member of our marshals, stewards and security personnel see you leave your roped-pitch without taking your rubbish you will be asked to return and retrieve it. Your consideration in this matter is expected and gratefully appreciated.

TOILETS
We have toilets around the perimeter of the event auditorium. Single toilet units spaced 3m apart are regularly cleaned and inspected. A queuing area with 2m spaces will be marked out. Please maintain your distance from others. Hand sanitiser stations will be positioned outside the toilets (as well as inside). We do have disabled toilets. PLEASE SANITISE HANDS BOTH BEFORE AND AFTER ENTERING.

EXIT
At the end of the performance you will be asked to remain in your roped-pitch until instructed to exit by a steward to return to your car following the designated ‘one-way’ pedestrian system. Staggered exiting minimises unnecessary crowding and reduces traffic management leaving the site an on to the B1230. Your patience is very much appreciated.

CHILDREN
Any attendees who are accompanied by children are reminded that they are responsible for supervising them at all times and must follow social distancing guidelines.
